

F3036 Park & Player 4' Expanded Steel Bench W/ Deep Seat, Portable Mount

4' expanded metal bench with deep flat seat, traditional edge, and portable mount legs

Material

The bench is 48.19" long with an extra wide 15.19" flat bench seat. The seat is made of 3/4 #9 expanded steel with a diamond shaped pattern and features a traditional edge. The seat is plastisol coated with an average thickness of 93 mils (.093 inches) and finished with a high-gloss patented TopCoat®. The bench seat will support 200 lbs per linear foot.

The legs are made of 2.38" OD steel tubing, protected with FusionGuard® rust protection and are finished with a high-gloss powder coat. The legs feature feet made of 2.38" OD steel tubing that are 27" long that provide a sturdy support and portable mount for flexibility in placement.

Finish

TopCoat patented high-gloss finish resists UV deterioration, mildew, staining and fading.

The TopCoat finish has been tested to the requirements of ASTM E 1354 and is determined to be in compliance with California Uniform Fire Code 1103.2.1.4.2.

FusionGuard process ensures that all components of the under supports are coated with a zinc-rich primer. Under supports treated with FusionGuard resist rust four times longer than conventional powder coat finishes in independent testing.

Color

This product is available in the following colors: Black, Blue, Bronze, Brown, Burgundy, Camel, Evergreen, Grey, Navy, Orange, Purple, Red, Silver, Teal, Vanilla, White, and Yellow. The undersupports are available in the same colors in a rust-resistant powder coat finish.

Assembly

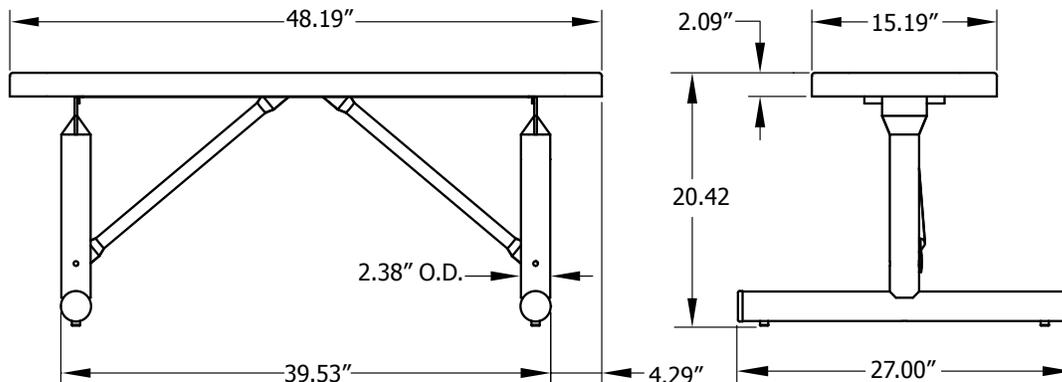

The bench requires some assembly. Stainless steel assembly hardware is included.

Maintenance

The product is virtually maintenance-free and requires only periodic cleaning with a sponge and a solution of mild detergent and water to remove surface dirt. Do not clean with solvent or petroleum based products.

Warranty

Landscape Fusion products are covered by a seven-year warranty from the date of purchase.
