

## Merry-Go-Cycle Installation Instructions

- 1) Ensure that where the Merry-Go-Cycle base is to be placed is as level as possible.
- 2) Bolt Red center pole onto round black circular track with the (4)  $\frac{1}{2}$ " X 1' bolts provided. Tighten bolts carefully but firmly.
- 3) Bolt Red arms onto center pole with the (5)  $\frac{1}{2}$ " X 3" bolts provided. Tighten bolts carefully but firmly.
- 4) See picture below for finished product.
